Good morning John, not as far as I know. There are many ongoing conversations, mostly between JST and Transportation. While I am not privy to all the MO and DMO discussions, I have not heard anything about PALS or the Blockade Response Plan.

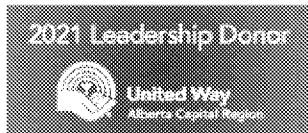

I will let you know if I hear anything.

Subject: Coutts Blockade

Hi Steve. Has there been any talk about activating the PALS list and Blockade Response Plan? Just curious. This is putting a hurt on our sector for sure.

John
